Whereas, said opinion of ALJ communicated as follows:

"SUMMARY You did not appear for

Whereas, on 08042021, ALJ ordered:

the hearing on August 02, 2021 . Your appeal is dismissed";
"A notice of hearing was sent to the last address given to State Hearings. The notice listed the date and time of the

Whereas, ALJ's averments were blatantly, maliciously perjored and false mistatements; Claimant, in fact did file, and as on record, Demand for *Continuance"

(AbandonmentDecision-NonAppearance. SHDN: 14736662). Whereas, therefore, and post long train of client and claimant mistreatment, by malicious and prejudicial abuses of process betraying malice intent of defendant agency and venue agency for inference, Claimant justly and reasonably suspects Abuse of Process, in same RICO Conspiracy at issue in matter,, of organized crime record and identity tampering, by scheduling simultaneous hearing dates, by differing means and locations, to multiple parties (one being Thirdparty illegally misrepresenting to be myself fraudulently), while ACMS case-management system stores two differing casefile records

two differing casefile records, for two seperate parties fraudulently accessible by two differing usernames and passwords, with the other than mine being fraudulently counterfeit unaccessible to myself intended to replace my own accurate and official caserecord of case:104736662, record of case initiated by myself, (see my own accurate casefile record maintained, included retrieved database records corroborating from ACMS account, @ "JCTF vs. SACDHA" page @ URL: https://bboip.wordpress.com/jctfvs-sacdha-etal/ , when: notice sent to myself was communicated to be notice of a "phone hearing" (even though I waived hearing by right opting to Demand electronic Alternate Procedure pursuant to APA and within manual of procedural rules as specified with deliberation upon AV records of Oral Statements), and also while, simultaneously, even though policies corresponded to myself communicated that all proceedings at DSS were to be by telecommunication means due to Covid, again conspiratorially exploited ulteriorly motived in the Looptank conspiracy it really

only is of, recorded location of hearing to be: "Hearing Time: 08/02/2021 1000 AM Location: 444N 3rd St. Suite 100, Sacramento, CA 95811" (see attached: 210802ClmntsPstpnmntbyACMS ScrnshtLog.pdf). Wherefore, said decision of ALJ on 08042021 Gross Abuse of Discretion Obstructionist and Actually Heinously Hostile, equivalently to communicating (which I am sure, by the act, you did amongst parties Ex Parte), "_uck you" to Claimant's Fundamental Rights to Due Process, Life, Limb, Liberty and Property by Persecution Idly by an escapist nonaction action as misconduct you must reverse; especially since: 1. Claimant demanded discovery of identification on record, for purposes aforesaid, after abuses of process withholding, when Claimant avers upon proofs abuse of electronic means of surveillance while he has intended to procure birth certificate by mail from near Scranton, Pennsylvania, Joey Biden's hometown upon this record

hometown, upon this record administratively attached to my EBT account as proof of identity and with recent mail from same agency to fulfill requirements from an action of notice, but then Sacramento police officers colluded to steal my personal papers and effects approximately one year ago, while Veteran's services prejudiced denying human assistance at issue, and 2. agency is definitely colluding in satanic scheme against my person per averments previous... Therefore, it is Obligatory upon same ALJ, pursuant to all applicable law, to "reopen" SHDN: 104736662 immediately, with Stay of Proceedings until Full Delivery of Discovery Compelled by Claimant, and then fourteen business days, in the Interest of Justice in Equity! CONSPIRACY I have reiterated

You did not appear for the hearing on August 02, 2021 . Your appeal is dismissed. FACTS You asked for a hearing on April 21, 2021. Your appeal was about the following benefit(s): CalFresh A notice of hearing was sent to the last address given to State Hearings. The notice listed the date and time of the hearing. It was not returned in the mail. You did not ask for a postponement before the scheduled hearing time. You or your authorized representative did not attend the scheduled hearing. LAW State Hearing regulations are published in a Manual of Policies and Procedures (Man. Pol. & Proc.) and California Code of Regulations (Cal. Code Regs.). A hearing request will be dismissed if it is abandoned. An appeal is abandoned if you do not attend the hearing, or send a representative. You have the right to ask to reopen the appeal. You must show there is a good reason for not attending the hearing. The request to reopen must be made within 30 days of the date you received the dismissal decision. (Man. Pol. & Proc. 🛭 22-054.221-.222; Cal. Code Regs., tit. 10, \$ 6610.) CONCLUSION You did not attend this hearing. You did not send a representative to

the hearing. No one asked for a postponement. The hearing request is dismissed. You may ask to reopen the appeal. To do this, you must give a good reason for not attending the hearing. This must be done within 30 days of getting the decision. If you are not able to ask to reopen your appeal within 30 days, you must tell us why you could not file within that time. We can still reopen your appeal if you had a good reason for asking late. Opinion of ALJ betrayed prima facie confirmation of my complaint of RICO crimes of Conspriacy by this colluding act! It is also obvious that you are involved also and I am certain you are privy to the whole matter aforementioned! I INSIST ON THE DELIVERY OF DISCOERY RECORDS; I ALSO AM JOINDERING YOUR AGENCY AND, CO-COLLUDER, YOLO COUNTY AND MORE TO ACTIONS TO MANDATE SUCH AS REQUESTED FROM ALL OF YOU! Furthermore, these acts were crimes against humanity when I also recently filed Compulsion of Discovery for records of I.D. pursuant to Public Information Act, to ensure faithfulness upon evincing proofs ofrecord tampering, when: 1. My I.D. was stolen by one Ampol Nomad group

stolen by one Ampol Nomad group member living by College Place at river camp locality whom we all witness Looptank Manifest Parol Evidence, being corroborted by aforesaid, that, with connectivity to Obama , Kathy and Bonzo∳s methdealing gang, SAC DHA is favoring her in RICO conspiracy to replace my identity and commit fou play manslaughter. as faos for the act 2.I informed that protracted attempts to reprocure had been all obstructed by: the violaing, defendant agency, and your police department actually when I have informed during multiple illegal stops (per Terry law) to only inaction! ♦I suspect abus of process tampering by multiple record catalogs wth different password accounts in malice intent. These Defaults are hostile to my Life, Limb and Liberty! activities of that day 0i292021 at issue when, during fhis unprovoked fight words and communicated threats, which were repeated 08302021, to kill me in my sleep with very arogant, self-entitled sociopathic attitude, also communicated intention that he was "going to tell (my) mama and dada" accusing me of "talking shit" in his store like an immature Pube! SUBPOENA: Surveillance footage is procurable. Per Duty to Investigate, I demand procurement by your Investigate Unit and I hereby subpoena and demand deluvery of to myself by email (at address: jaakovos@gmail.com) converted to usable format of .mp4 to not technically harass for further delay damage causing harassment. His yelled disrespect betrayed attention by means in same conspiracy on my activities of the day as a hostile interest, when on previous incident, he betrayed to be a party in "disoriented competition" referred to in these actions of same day to steal and replace my identity in RICO conspiracy. In previous incident recorded, he flaunted that his name is James Horton, he wears a nametag reading "James" and betravs.. ith a maliciously

and betrays., ith a maliciously predisposed attitude, a psychotic personal issue on subject and at issue and instigates attitudinally calling me young man. I responded only, on date of 8292021, "my birth certificate had James E. Horton on it 51 years years ago young man" leaving after a purchase. It was a customer complaint for psychotically differential treatment. He is added to a large lawsuit on joindered matters of same issue! He ran out of the store in animos and committed verbal acts aforesaid. They betrayed his personal insecurity issues and involvement in Looptank Conspiracy! I DEMAND THE JUSTICE OF LAW ENFORCEMENT DETERRENCE BY HIS ARREST ON CHARGES OF ALL VARIOUS CRIMES INCLUDING TREASON, SEDITION, AGGRAVATED MANSLAUGHTER AND AS ENEMY COMBATANT ACTIVELY ENGAGED IN ILLEGAL WARFARE AS A LOOPTANKER TO BE KILLED ON SIGHT... NOW!!!! THUS little n turd nigger!!#!!! And, I will return to the store and to be served without denial... There is not a cause contrary!!!!! And he is in a lawsuit!!!!! controversies, an economic crisis and a Fema Concentration Camp threat. There were many unresolved (still, as of yet) legitimate concerns. It's been hijacked by Satanic Organized Criminals. Now, earthlings [hypothetically, assuming all these humanoids are, which seems doubtful with recent behavior fluctuations and anomalies per Looptank Effect Syndrome and other unnatural and artificial factors throughout society worldwide, when I am certain space aliens do not exist, but demon possession does; Daniel recorded, of his vision, that this is all beyond understanding and made him ill for days] have entered a period, without previous resolution, post the G20 Global Summit held in Pittsburgh (near my town of birth) at the suggestion of Obama (an associate of relatives I have never condoned and have disowned) in secret treason with Russia and China. An illegal, secret contract (defying law relevant to treaties) was formed (but illegal contracts are null and void). They sat at a table and lied to each other as Daniel prophesied. They are MAD! National Security

Council is NOT legitimate government or authority and must be addressed as internationally criminal. Check this out Feds. STOP colluding!

By anomalous word-wrap, service has conspicuously obscured following description text:

SEE "This Was My UTR": This was research

and Workproduct preparing for Redress of Grievances against Government Misconduct involving FISA and other UnConstitutional violations stretching to abuse Post-911 policies. The documents are "Personal Papers and Effects." The Misconduct has caused severe damages. For personal filemanagement, I filenamed the casefile with an acronym for a code-name type of appellation for an initiative category. Spontaneously and impromptu, I quickly derived and wrote "UTR" on its file folder. This also functioned well as a directory name for my netbook's file system. Actually, I call the case something like "JCTF vs. Bush et al." I have served in the Air Force during the Bush administration. Then, I learned of these

genealogical relatives' roles in Satanic, Globalist, UnAmerican and Treasonous Conspiracies for certain. ¶I've been aware: Malicious UCMJ Infractors and relatives connected to federal agencies became obsessed (overzealous), per surveillance

Misconduct, with Retaliation against this they schizophrenically dubbed, "The UTR." Amongst intrusions, they obsessed to "Look for the UTR" and have illegally hacked it incalculable number of times. (Hydzik, in motivating conspiracy to commit... is obviously one major culprit involved because I "was doing something" adult in my life.) This was motivation of Police Misconduct, including a Pretextual False Arrest, in Yolo County, CA. This County, I have discovered, was a stronghold of my enemies. This was unbeknownst to me when I walked into West Sacramento, on my direction toward objectives, in 2013. This began more joindered cases with intent, amongst others, to disrupt by their criminal harassments. Since, per discovery, I have inferred the suspicion that this county is such stronghold because it may be the residence of Arnold Shwarzenegger. He has been a connectivity of close, biological relatives of mine through occultic organized crime. This is connectivity with a secret faction obsessed with Ayn Rand Objectivism for treasonous and AntiChristian ideology. Despicably, recording minstrel troupe, "Rush," (through churh of satan connectivities) is hierarchically prominent in said faction as philosophers by the occupational front. Per Looptank Parol Testimony, member Neil Peart, by same front inappropriately glorified misvalued, usurps himself as and is considered a global, demonic, "overlord" originally from Toronto (who then migrated to England, trained with Occultic affiliation of "British

Invasion" faction, Bill Bruford, to correct trapset percussion technique he formerly had invented as "The Praying Mantis" while gigging with local, Toronto amatuers named "Mumbling Something" inspired by interest in Hannah Barbara cartoons, Ginger Baker, Kieth Moon without music instruction on his alleged instrument(s) as a teenage self-styled-satanic, numb-skulled and nimrodic habitual doper. He stupidly became overly enthused with Ayn Rand literature and its congruencies with skinny black book content. False-credentialed (typically amongst...), he recieved favors in pact with occultic assignments involving clairvoyance and divination I, myself, am central target of, by volitional zeal and natural connectivities. By members of my disowned family, flattered by a history associated with Rock and Roll with Elvis affiliation, he was assigned, in conspiracy, to front, and per subversive motives, with the Atlantic Record contractees aforesaid. It has been corroborated convincingly to myself by Looptank Parol Testimony: these three of said troupe, during planning of assignment, co-labored with my biological father, Krinkly Moron, as bricklayers for a subcontractor most likely as college job heir to a Horton family Trust of relations residing in Middletown, NY. They are an occultic genealogy devil-worshipping and central conspiracy by divination is per intent since my birth to practice first-born son sacrifice to Molech as Skull and Bones also practices

connected to same genealogy amongst multifactional connectivities and affiliations. I have nondelusionally witnessed the creep, Neil Peart, also stalking myself conspicuously. One lication was Woodland, CA which I was illegally restrained to by Violations of Speedy Trial Rights. I am still laboring to conclude matter (amongst my multitude of matters Harassed with) as nonresident to CA refusing CA residency Against Extreme resistance of Undue obstruction and Warring Misconduct and through organized crime network! (Continued in "Intro2ThisWasMyUTR") See: https://bboip.wordpress.com/youtubelog-2/ And https://bboip.wordpress.com/blog/ And furthermore, please relay to appropriate bureaus and officers, (as herein corresponded by procurable means of modern gmail heretofore as within) the following: Desist harassing, and by and through Interpol, or any other (and if it may be subordinate to the U.N. and its National Security Council, which does not legitimately or legally rule within my borders with its own National Sovereignty since Independence of 1776 (and I do type, "Go Spirit of '76" consistent with my heritage and tradition having experienced bicentennial during my childhood in Sewickley, PA having 1970 for the year of my notable
